Ms. Boyd

Please be advised that Berkeley County Water and Sanitation (BCWS) is in the process of acquiring the Guerin's Creek sewer system. All of the necessary documents are attached and ready for execution.

Over 20 years ago, Berkeley County granted a franchise to the H.M. Northcutt Corp to provide sewer service to this area. The agreement has expired and the Northcutt Corp. no longer wants to continue with this operation. BCWS feels that it is in everyone's best interest and for the health and wellbeing of the residents of Guerin's Creek S/D to take over the operation and maintenance of this system. All parties have agreed to this transfer.

BCWS has been in the sewer business since 1976 and now has over 46,000 sewer accounts and over 28,000 water accounts, with a Moody's bond rating of Aa3 and Standard and Poor rating of AA-.

BCWS has been working on this along with the Office of Regulatory Staff and the South Carolina Department of Health and Environmental Control to make this a possibility.

Therefore, BCWS is requesting approval by the Public Service Commission of the transfer of the Guerin's Creek Sewer System to BCWS. BCWS would also request that any hearings, if applicable, be waived.

We are ready to proceed as soon as the PSC allows us to.

Although the notification letter stated we would start billing in September, this has not happened yet.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Douglas m Tompkins

**THIRD AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS  
AND RESTRICTIONS FOR GUERIN CREEK SUBDIVISION AND BY-LAWS**

WHEREAS, the Declaration of Covenants, Conditions and Restrictions for Guerin Creek Subdivision dated March 8, 1989 were recorded in the RMC Office for Berkeley County on March 9, 1989, in Book C-253, page 321; and,

WHEREAS, Article X, Section 4, Amendment provides that the Declaration of Covenants, Conditions and Restrictions may be amended after the first twenty (20) year period by not less than fifty percent (50%) of the lots in said subdivision; and,

WHEREAS, more than fifty percent (50%) of the lots now desire to make provisions for payments to be made to Berkeley County Water & Sanitation Authority for sewer and sanitation services by amending the Declaration to add Article XI; and,

WHEREAS, it is the desire of the lot owners that Berkeley County Water & Sanitation Authority take over ownership and operation of the sewer system serving the subdivision; and,

WHEREAS, Berkeley County Water & Sanitation Authority ('BCWS') has indicated that it will bill Guerin Creeks Owners Association ('Association') for monthly sewer service provided to each lot in the form of one aggregate bill for all the lots in the subdivision and the Association shall be responsible for making the monthly payment.

NOW, THEREFORE, the Declaration of Covenants, Conditions and Restrictions for Guerin Creek Subdivision are hereby amended to read as follows:

## **ARTICLE XI**

### **Sewer System Costs and Fees**

#### **Section 1. Creation of the Lien and Personal Obligations of Sewer System Cost and Fees.**

Each lot owned within the subdivision hereby covenants, and each owner of any lot is deemed to covenant and agree to pay the Association: (1) monthly charges of Berkeley County Water & Sanitation Authority currently set at \$64.00 per month per lot payable for six months in advance; and (2) any special charge made by BCWS besides the usual monthly fee. The monthly charges and special charges, if any, together with interest, costs and reasonable attorney fees, shall be a charge upon the land and shall be a continuing lien upon the property against which such BCWS charge is made. Each such charge, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the person who was the owner of such property at the time the charge fell due. The personal obligation for delinquent charges shall not pass to his successor in title unless expressly assumed by them.

#### **Section 2. Date of Commencement and Charges.**

The semi-annual charges for BCWS shall commence upon BCWS taking over ownership and operation of the Subdivision's sewer system and issuing the first monthly bill to the Association. At that time, owners shall pay six months of charges to the Association which will in turn pay the BCWS monthly bill submitted to the Association. Six months of monthly charges is currently \$384.00. Thirty (30) days prior to the expiration of the six (6) months period, the next six (6) month of charges are due and payable to the association. The Association shall keep the owners apprised of any changes to BCWS monthly charges and any increases in those charges shall be paid by the owners as outlined above. In the event of any special charges made by BCWS that are separate and apart from the monthly fee, the Association shall notify the

owners of these special charges as far in advance as practicable and the owners shall pay as outlined above.

**Section 3. Effect of Non-Payment of Charges; Remedies of the Association.**

Any semi-annual charge not paid within ten (10) days after the due date shall be increased to include a penalty of five (\$5.00) dollars per day from the due date. The Association may bring an action at law against any owner personally obligated to pay the same or foreclose the lien against the property in like manner as a mortgage of real property or both. Penalties, costs and reasonable attorney fees shall be added to the amount of such semi-annual charge. In the event of any such foreclosure, the Owner shall be required to pay a reasonable rental for the lot after commencement of the foreclosure action, and the Plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the same.

**Section 4. Subordination of the Lien.**

The liens provided for herein shall be prior and superior to all other liens except (1) to the lien of any mortgage, and (2) the lien of any unpaid taxes in favor of any taxing unit. Sale or transfer of any lot shall not affect the sewer charge lien.

**Section 5. Contingent on Berkeley County Water & Sanitation Authority's Operation and Ownership of Sewer System.**

In the event that BCWS does not take over operation and ownership of the sewer system serving the Subdivision, this Amendment shall be void ab initio and of no affect whatsoever.

The remaining provisions of said Declaration of Covenants, Conditions and Restrictions shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned have this \_\_\_\_\_ day of September, 2017, set their hands and seals.
